STORIES / EXTRA IDEAS

PINTEREST

Pinterest pin planner

Make 3–4 different pins for every product or post, each with a different angle. Fresh pins keep working for months.

PRODUCT / POST	PIN ANGLE	PIN TITLE (WITH KEYWORDS)	BOARD	LINK	PINNED

Angle ideas: the problem it solves · what's inside · the result · a gift idea · a how-to · a free sample. Space out pins to the same link rather than posting them all at once.
