INSIDE THIS PACK

- [ ] 20 large-print word searches
- [ ] 10 sudoku (gentle to steady)
- [ ] 6 mazes
- [ ] 6 word scramble pages
- [ ] All the answers, from page 46

PRINTING TIPS

- Print at 100% or "actual size" for the biggest letters.
- Choose "print pages" to print just the puzzles you want.
- Print as many times as you like for your own household.
- Thicker paper (100–120gsm) feels lovely, but any paper works.

HOW TO PLAY

Word search

Find each word in the grid. Words run left to right, top to bottom, or diagonally downwards. Spaces and punctuation are left out.

Sudoku

Fill every row, column and 3×3 box with the numbers 1 to 9. Each number appears only once in each row, column and box.

Maze

Find your way from the start at the top left to the finish at the bottom right without crossing a line.

Word scramble

Unscramble the letters to find a word that fits the theme. Write one letter in each box.

For personal use. Please don't resell or share the files. Teachers, care homes and activity coordinators are welcome to print copies for their own groups.
