STUDY METHODS

How SOAP works

A simple four-step way to study any passage, used by churches all over the world.

S **Scripture**
Read the passage slowly. Write out the verse or phrase that stands out to you.

O **Observation**
What does it say? Who is speaking, to whom, and why? What words repeat? What does it show about God?

A **Application**
What does this mean for my life today? Is there something to believe, change, stop, start or thank God for?

P **Prayer**
Talk to God about what you've read. Keep it simple and honest.

AN EXAMPLE

S: "Come to me, all you who labor and are heavily burdened, and I will give you rest." Matthew 11:28 (WEB)
O: Jesus invites everyone who is tired, not only the strong. The invitation comes before any instructions.
A: I don't have to sort myself out before I come to him. I'll stop putting prayer off until I feel "ready".
P: Thank you for welcoming me as I am. Help me rest in you today.
